ADDRESS ALL OFFICIAL COMMUNICATIONS TO THE COMMISSIONER OF EDUCATION SAN JUAN, P. R.

Form Letter No. 5

T o : Superintendents of Schools, Principals and Teachers of Elementary Schools and the High School

SUBJECT: RADIO PROGRAM SERIES FOR THE SCHOOL YEAR 1942-1943

Ladies and Gentlemen:

Through your kind cooperation we have been able to make the Puerto Rico School of the Air radio programs a worthwhile service to the schools and the community. Ties between the schools and the School of the Air have become stronger as the years progress. Many of you have visited the School of the Air studio and offices from time to time and have cooperated with us in many ways. We are indeed appreciative of this interest.

This year the School of the Air broadcasts for the schools are to begin October 13. All programs will be from 9:30 to 10:00 A. M., Monday through Friday, over stations WIAC, WKAQ, and WNEL. We have secured the same time throughout the school week to avoid the former schedule of programs at different hours. We hope this will make it easier for the teachers to use the broadcasts.

We hereby request from all teachers to arrange their schedules, if possible, so that any period they devote to extracurricular activities may fall within the time allotted to the regular broadcasts of the School of the Air. This will prevent an interruption of regular classroom work.

If the teacher is unable to adjust to the above request, we suggest that the classroom schedule be arranged so that the subject shortened one week to accommodate the School of the Air broadcast will not suffer the following week.

We are listing a summary of the program series so you may consider them in advance and make provisions for having equipment to use them.
